

Software License Agreement of WinDriver™ Version 15.1.1

Copyright © 2022 Jungo Connectivity Ltd. All Rights Reserved

IMPORTANT — READ CAREFULLY: THIS SOFTWARE LICENSE AGREEMENT ("AGREEMENT") IS A LEGAL AGREEMENT BETWEEN YOU AND JUNGO CONNECTIVITY LTD. ("JUNGO"), FOR THE WINDRIVER SOFTWARE PRODUCT ACCOMPANYING THIS LICENSE (THE "SOFTWARE"). BY INSTALLING, COPYING OR OTHERWISE USING THE SOFTWARE, YOU AGREE TO BE LEGALLY BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, DO NOT INSTALL, COPY, OR OTHERWISE USE THE SOFTWARE.

1. **OWNERSHIP OF THE SOFTWARE.** All right, title, and interest in and to the Software, including associated intellectual property rights, of any sort and/or kind, are and shall remain solely with Jungo and its licensors, and may be protected by copyright, trademark, patent and trade secret law and international treaties. This Agreement does not convey to you an interest in or to the Software, but only a limited, non-transferable, non-sublicensable, non-exclusive, and revocable right of use, in accordance with the terms of this Agreement. You may not remove any proprietary notices and/or any legends from the Software, in whole or in part.
2. **GRANT OF LICENSE.** Jungo hereby grants you a personal, non-exclusive, nontransferable, non-sublicensable node-locked and time limited license to use the Software.
 - Individuals: Jungo grants you, as an individual, a personal, non-exclusive, "single-user" license to use the Software on a single computer, in the manner provided below, at the site for which the license was given.
 - Entities: If you are an entity, Jungo grants you the right to designate one individual within your organization (and only one) to have the right to use the Software on a single computer, in the manner provided below, at the site for which the license was given.
 - License Scope: A single user license allows usage of WinDriver and redistribution of certain components (as defined below) within a single end product SKU, for a single device (identified by its VID/PID (USB) or VID/DID (PCI)), and without SDK/API capabilities. If you need extended license or distribution rights, please contact Jungo.
3. **EVALUATION LICENSE.** If you have not yet paid license fees for the use of the Software, then Jungo hereby grants you a personal, non-exclusive, non-transferable and non-sublicensable license to internally use the Software for evaluation purposes only, for a period of 30 days (the "Evaluation License"). If, after the expiration of the Evaluation License, you wish to continue using the Software and accompanying written materials, you may do so by remitting the required payment to Jungo, and you will then receive a registration code and a license string that will permit you to use the Software on a single computer, under one of the license schemes specified in [Section 2](#) above.
4. **OPEN SOURCE.** The Software includes certain files that are subject to open source licenses. These files are identified in their header files ("Open Source Files"). You must use the Open Source Files in accordance with the terms of their respective licenses. In the event of any contradiction between the terms of this Agreement, and the terms of the open source license accompanying a certain Open Source File, the terms of the latter shall prevail, with regard to the said Open Source File.

 - 9. You may not translate, reverse engineer, decompile, disassemble, reproduce, duplicate, copy, or otherwise disseminate all or any part of the Software, or extract source code from the object code of the Software.
 - 10. Jungo reserves the right to revise, update, change, modify, add to, supplement, or delete any and all terms of this License Agreement; provided, however, that changes to this License Agreement will not be applied retroactively. Such changes will be effective with or without prior notice to you. You can review the most current version of this License Agreement under the WinDriver download form page.
 - 11. You may not incorporate or link any open source software with any open source software part of the Software, or otherwise take any action which may cause the Software or any portion thereof to be subjected to the terms of the Free Software Foundation's General Public License (GPL) or Lesser General Public License (LGPL), or of any other open source code license.
